Project Summary: Social Innovation and Entrepreneurship for Life - Hayat Boyu Sosyal İnovasyon ve Girişimcilik (SInG 4 Life) project is a training of youth workers project aiming to build capacity in the area of social entrepreneurship through intensive training activities which will be designed to respond the shortcomings and weaknesses of trainers and target groups that they are responsible of. Project will last 7 months. Training activity will be 8 days (plus 2 days of travel). Project has 7 partners including the coordinator. 6 stakeholders working actively in the youth area across Europe participated the project: Bulgaria, Italy, Estonia, Romania, Greece, Slovakia. 5 participants from each organization will attend the training activity as well as other activities foreseen in the proposal. Proposal will ensure the active participation of partners in the consortium and their participants to the training activity. Project aims to have a great impact on the youth workers to raise awareness and the number of social enterprises & entrepreneurs where they live and provide services to young people.

Travel:

You have to use the *cheapest way (i.e. economy class for planes/busses, no use of taxi - only the public transportation etc.)* of travel as much as possible. Otherwise it cannot be reimbursed. It is important for you to collect all receipts for reimbursement.

Insurance: According to our National Agency, it is participant's responsibility to make the insurance arrangements. Please make your travel insurance (covering health issues) prior to coming to the training. It is the only requirement asked from the participants. Other expenses such as travel, accomodation, meals and etc. will be covered by the Project in paralell with the rules of Erasmus+ Programme.

| Country | Travel expenses covered by the project at Maximum |
|----------------|--|
| Greece | 275 € |
| Romania | 180 € |
| Italy | 275 € |
| Bulgaria | 180 € |
| Estonia | 275 € |
| Slovakia | 275 € |

Please note that, travel costs are based on the address of your organization. If any of the participants travels from a near distance the travel subsistence will be lower as stated by the Erasmus+ Programme rules:

100 - 499 km: 180 €

500 - 1999 km: 275 €

Also, according to our National Agency, if any of the participants would like to travel earlier and/or stay in Turkey for awhile, the limit of the extra duration is 3 days in total. NA stated that you may not recover some of the travel costs in such cases.

Travel reimbursements will be done by cash at the last day of the training upon the submission of travel documents to us.
